Contemporary off-plan Villa in one of the most exclusive areas of Altea, Costa Blanca with excellent sun orientation. The entrance to this cozy and bright Villa is on the top floor, where the first thing we see is the amazing sea view through a large panoramic window. This is the heart of the house that joins all the floors, whether via the lift or via stairs, and with the parking area, which fits two cars. The middle floor is where the three bedrooms of this villa are located, two of them have en-suite bathrooms, spacious wardrobes, and access to a shared terrace. The third bedroom is the master bedroom, with an en-suite bathroom that has an amazing bath hub for ultimate relaxation, a private terrace, all with open panoramic sea views. The lower floor is intended for the communal areas, you can make the most of any moment in a unique space or as separate rooms. The kitchen stands out due to its large cooking island where the cooking area is and an area for breakfast or a quick snack. This amazing Villa has other two areas where you can have a leisurely lunch or dinner. The outside dining area is covered by a large porch, with a barbecue and the inside dining area opens up into the house's living room and into the main terrace. Different environments but connected: kitchen, dining room, inside the living room, outside the living room, a reading area, and the main terrace with an infinity swimming pool.
