The modern and Mediterranean architecture merge into villa Estrella, conceived as a comfortable family residence. A property located on the North of Costa Blanca, in the Residential Resort Cumbre del Sol, one of the best destinations for those who is looking for spectacular sea views, coves of crystal clear waters, a natural environment, away from the noise and rush of the larges cities. Villa Estrella is distributed on 3 floors, with 3 bedrooms with en-suite bathroom, master bedroom also provides with a dressing room and a private terrace to enjoy the sea views. It has a TV room, kitchen with island, open to the dining room and the living room with fireplace, all an open space with double height, connected with the porch, terrace, infinity pool and the barbecue area. There is also 2 guest toilets, one next to the living room and another outside to serve the barbecue and the pool. The basement of this property surprises us with an open space, which allows us to expand the house in number of bedrooms, gym or guest apartment, with two private terraces. The house is completed with parking for two vehicles and a gardening project, all designed to live all year around facing the Mediterranean sea.
