Contemporary newly built villa with sea views in one of the best developments on the Costa Blanca: La Sella Golf Resort. Overlooking the Montgó natural park and the Mediterranean Sea. It was finished in 2016 and consists of all the modern elements of today's construction. The house is designed to blend into the environment, maximizing views and the sun. Starting with the private car park and leading into a vast entrance hall, the main floor is consisting of a spacious living/dining room and open kitchen. In addition, there is a guest toilet, a large terrace, and a fantastic barbecue area. An interior staircase leads us to the lower floor where you will find all the bedrooms, 4 in total, and 3 bathrooms (one of them en suite). The bathrooms are spacious and designed with the French style in mind. Finally, the basement: Here is located the biological waste-water the treatment plant, and an open area of 86 m². The easy-maintenance garden is terraced, adapting to the terrain, and there is a private pool for relaxation and refreshment. Some additional extras include air conditioning ducts, underfloor heating, exterior carpentry of aluminum, and special paving in the house.
