An exclusive and astonishing project for plot n°12 of Racó de Galeno, an ideal location for nature lovers, who will be able to enjoy views of Peñón de Ifach and the Mediterranean Sea. A design that stands out for its careful distribution, intended to reinforce the union of interior and exterior, and glass walls that can be hidden away to create open-plan spaces that make the home more enjoyable. The single-floor distribution gives added comfort to the home, spread between two wings, one with three double bedrooms, each one with an in-suite bathroom, and the other with common areas, a spacious kitchen, living room, dining area, bathroom, etc. The ground floor has a large space that can be intended for a variety of uses, from creating a guest house, to an entertainment room/movie theater, a gym, etc., with the advantage of being directly accessible from the main level. This area also includes a parking and storage space. The design and attention to detail is reflected in both the interior and exterior spaces, with a sensible selection of covered elements with a wood-inspired finish, paneled walls that allow light to pass through while also providing a sense of comfort, planters, a glass wall by the pool that offers a direct view of the sea, and thousands of other details that invite you to live and indulge in Racó de Galeno.
