In this villa there is a perfect collaboration between design, nature, view and materials used. A fusion of indoor and outdoor living, comfort, tranquillity and sea views.. . The villa is spread over three floors, which are connected by an elevator. On the top floor there is a spacious parking and garage. With the elevator or the stairs, you reach the floor where there are three spacious bedrooms; each with an en-suite bathroom and each with panoramic sea view. On this floor there is also a second lounge, of course also with sea view. . . One floor down there is a huge living room with a large, modern open kitchen and a beautiful master bedroom with dressing room and very luxurious bathroom, including an impressive bath with sea view. All with direct access to the large pool terrace and of course with impressive sea views. There is also a guest toilet, a laundry room and a large storage room on this floor.. . Below the pool terrace there are two larger multifunctional rooms, where you can create a guest house, cinema, fitness or office if desired.. . The pool is very spacious and has a partially glass wall. The garden around the villa is completely landscaped with beautiful Mediterranean plants and various nice places to enjoy this special .
