This Premium quality new build project is located on a beautiful 1.407 m² terraced plot with sea view and overlooking the golf course. The project has on the main floor an ample open-plan living-dining room, with a modern open fully fitted kitchen with a cooking island, a guest toilet, as well as exit to the covered/uncovered terraces and the swimming pool area on this level. On the upper floor, there are three ample double bedrooms each with a bathroom en suite. This key ready design villa has a spacious building area of 284 m², covered terraces of 84 m², uncovered terraces of 112 m², and a parking area for cars of 85 m². According to the attached location plan, the walls that level the terraced plot, as well as the walls to the street, are made of stonework counting all together 450 m². The infinity pool is fully fitted and has a total water sheet surface of 49 m². There is an automatic entrance gate for cars of 4,00 m width and a pedestrian door of 1,00 m width, leading into this fantastic new build property. The beautiful Mediterranean garden has a natural lawn, plants, and an automatic irrigation system.
