Magnificent villa of unique design located in the exclusive urbanization of Altea Hills with panoramic sea views and lots of privacy. The property consists of 287m² m² distributed over 2 floors. On the ground floor there is a double height hall, a large bedroom with en-suite bathroom, guest toilet and a large living-dining room open to the equipped kitchen that make up a large open space of 60m² with spectacular views and access to the main terrace where the infinity pool, barbecue area and garden are located. The first floor is distributed into two spacious bedrooms, both with en-suite bathrooms and access to a large terrace as well as another room with its own terrace that could be an office or guest bedroom. This is a unique villa finished with high quality materials and top brands with all the comforts to enjoy this wonderful home all year round. The house also has a large garage for two cars, and space for a gym and storage room.. This villa is under construction and is ready to move into in April 2024..
