This elegant complex offers 1 to 4 bedroom apartments and penthouses with amazing common areas in a privileged location, Jávea, a wonderful city that you will want to call home. Also a communal pool and fully equipped gym, as well as a meeting room that will be available for owners to organize parties and family events. All apartments include a garage and storage room. These homes are designed with an avant-garde architectural style. Each of them have cozy and bright interiors with unbeatable finishes and materials. They feature 1 to 4 bedrooms, 1 to 3 bathrooms and open plan living/dining rooms with a built-in kitchen area. The ground floor apartments have their own garden and the penthouses have larger terraces. A privileged location that combines many advantages: proximity to the old town, the port and the beach, a wide range of services and amenities, many leisure activities such as water sports and a beautiful and peaceful environment. Jávea is very well connected by road with other towns in the region, so you can easily explore the area and make the most of your vacation.
