Villa Hebe is characterized by its design inspired by the Ibizan style, a concept that combines rustic elegance with contemporary comfort. This single-story villa is located in the quiet area of Marquesa V and is perfect for those seeking a retreat in harmony with nature. Furthermore, the project already has the necessary license for its development, ensuring peace of mind and confidence for interested parties. The open layout naturally flows between indoor and outdoor spaces, with a spacious living room that connects directly to the terrace and pool. The terrace provides the ideal space to enjoy the Mediterranean climate, while the large windows allow natural light to fill the interiors, creating a warm and inviting atmosphere. The use of natural materials such as stone and wood reflects the essence of the Ibizan style. These details provide a rustic touch that is perfectly complemented by modern amenities, creating a comfortable and elegant environment. The rooms are designed to offer privacy and comfort, with direct access to the outdoor areas. The master bedroom, which opens up to the terrace, is an intimate refuge that invites you to relax. Villa Hebe is ideal for those who value tranquility and seek a luxurious lifestyle in connection with nature. The Mediterranean architecture and careful design make it an exceptional choice for enjoying an exclusive and relaxing environment.
