In one of Jávea's most sought-after locations, on the sunny southern slope of the Montgó, this exceptional luxury property is taking shape – a modern villa that combines timeless elegance with the highest level of comfort. Innovative architecture and premium materials come together to create a unique home designed for ultimate well-being. The villa offers 292 m² of living space, featuring a carefully planned layout with spacious, open and light-filled rooms. Large panoramic windows provide exceptional brightness and seamlessly connect the interior with the outdoor living areas, creating a modern and inviting atmosphere for those seeking an exclusive residence. Construction is carried out using top-quality materials, ensuring a luxurious and contemporary finish. Highlights include underfloor heating for year-round comfort and a solar energy system for sustainable and efficient power supply. A generous garage and numerous additional features further enhance the exceptional living experience. The location is simply outstanding: set in a privileged area of the Montgó, the villa offers peace, privacy and nature, yet is only a few minutes from the beaches, the marina and Jávea's historic old town. It's the perfect setting for those who desire tranquillity without sacrificing convenience. This one-of-a-kind project brings together modern technology, premium materials and a feeling of freedom and comfort in one of the most beautiful areas of the Costa Blanca. It represents a rare opportunity to acquire an exclusive, custom-built home that excels in every respect. Don't miss this unique chance to own a true dream property in one of Jávea's finest locations. Contact us for more information and secure your new home.
