This exclusive Mediterranean villa is located in the sought-after La Sella urbanisation between Dénia and Jávea on Spain's Costa Blanca. It offers a peaceful setting with views of the golf course, surrounding nature, and the Mediterranean Sea, just minutes from beaches, restaurants, and leisure facilities. The main living area is on one level and features a spacious living and dining room with large windows and direct access to the terrace and private pool (approx. 8x4 m). An open-plan kitchen completes the bright, Mediterranean-style living space. The villa has three bedrooms, including a master with an en-suite bathroom, plus another bathroom for the guest bedrooms. Large windows provide abundant natural light and stunning sea views. A notable feature is the lower level, which is currently unfinished and offers excellent potential for a guest apartment, office, hobby room, or gym. The outdoor area and terraces are ideal for sunbathing and entertaining, with architecture that seamlessly connects indoor and outdoor living. The villa is equipped with modern amenities, including air conditioning, a garage, and storage space. Set on a 1,300 m² plot with 245 m² of living space, this villa combines comfort, sea views, and expansion potential – perfect for full-time living or as a holiday home on the Costa Blanca.
