Beautiful penthouse with spacious terrace and breathtaking views of the sea and mountains, located in the exclusive Las Mimosas residential complex within Residencial La Sella. Built in 2005, the gated Las Mimosas complex impresses with its timeless architecture, stylish design elements and a lovingly landscaped garden with pool. It consists of three terraced building complexes, whose spacious terraces are designed as a natural extension of the interior. They invite you to enjoy the Mediterranean lifestyle to the fullest and experience the extraordinary views. The penthouse is located on the fifth floor and is easily accessible by lift. It has a spacious entrance area that leads into a spacious and elegant living and dining room. Both this area and the two bedrooms – one of which has an en-suite bathroom – feature large floor-to-ceiling French doors that provide direct access to the terrace. The separate kitchen has a utility room and windows with beautiful views of the lush garden at the rear. All rooms are exceptionally bright, which is further enhanced by the elegant marble flooring and white lacquered woodwork. The property also includes a covered parking space directly adjacent to the building and a 15 m² storage room on the third floor.
